

Which

Way

Now?

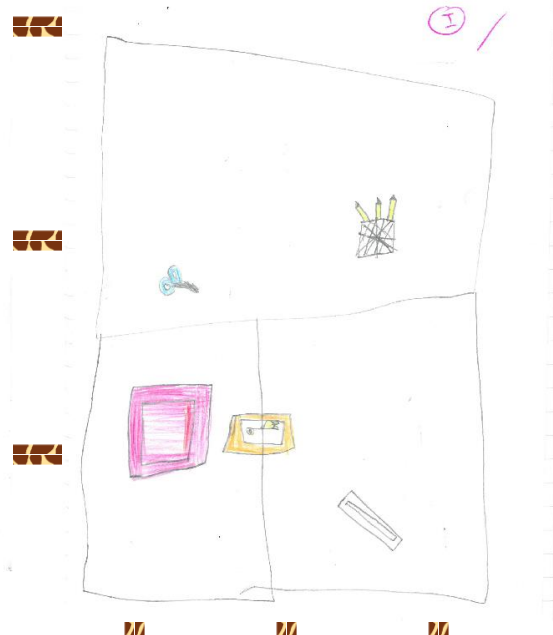

During this half-term, we have been exploring the topic 'Which Way Now?' In geography, we have been learning about maps and globes. We learnt about the 7 continents and 5 oceans

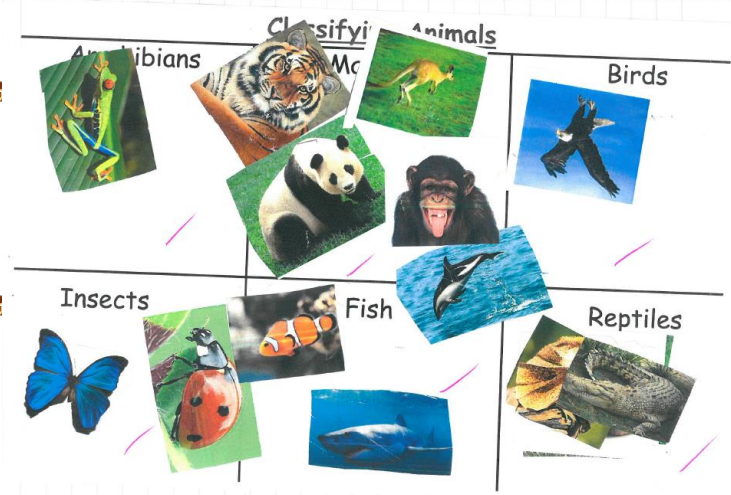

We looked at maps and made a plan of our table in birds eye view.

LO: To draw a plan of the table
23.1.17

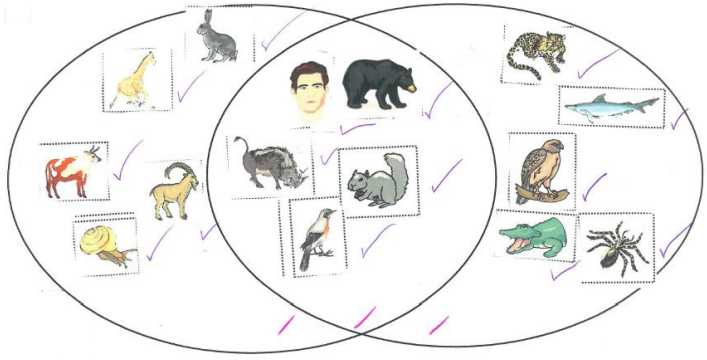

LO: To draw a plan of the table
23.1.17

In science, we looked at different animals, what they eat and how we can classify them.

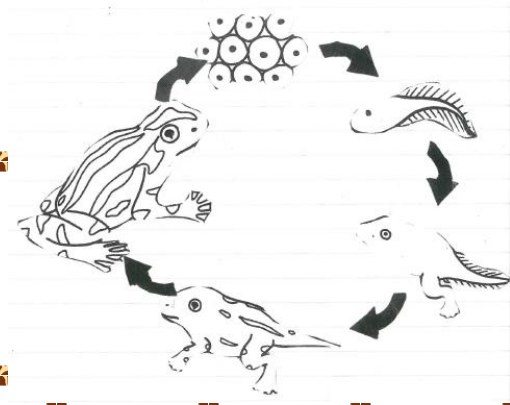

Herbivores (only eat plants)
 Omnivores (eat plants and animals)
 Carnivores (only eat animals)

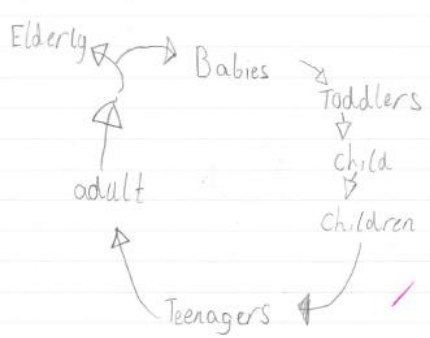

We also looked at the life cycles of different animals and compared them to a human life cycle.

LO: I know the life cycle of a frog 3-2-17

LO To know the life cycle of a human 22/17

In literacy, we have been working hard to add lots of conjunctions, adverbs and adjectives to improve our writing. We did an obstacle course and wrote a first person recount.

To write a recount 2017
~~I wrote a ship~~
 On Tuesday I did an amazing
 obstacle course. First I jumped over
 triangular hurdles. Then I stepped
 three on the stepping stones and
 it was easy. Next I went through
 a big wheel. After that I
 crawled ~~x~~ carefully under the lip.
 Next I ~~x~~ quickly walked through
 the cones. Finally I ~~x~~ hopped into
 the big red hoops.

To write a recount 26/17
 On Tuesday I did a suboptical course.
 First I jumped over the yellow and red hurdles.
 Next I carefully stepped on the colorful
 stepping stone. Then I went through the
 triangular hoop. After that I had to go
 under the blue and green hoops.
 Then I went through the cones. Finally I
 jumped into the hoops.

We've had lots of fun and are looking forward to next terms topic!
