

Puppet Making in Lion Class

In November the Norwich Puppet Theatre came to Year 1. We were learning about Traditional Tales in Literacy and linked the story of The Tinderbox to making our own puppets.

The puppets that the puppeteers used were very elaborate and used a variety of natural and man made materials.

We worked in teams making our own puppets. We linked our knowledge of assembling materials using glue, tape and split pins to make our animal puppets.

We had the opportunity to show our puppets to our friends. Maybe one day we can be puppeteers too.

“I liked it when Geraldine was pushed into the teapot by Mrs King and Mr Queen.” Harry

“I liked it when the soldier kissed the princess.” Ava C.B.

“I thought it was awesome” Jacob C.
