

Norwich Castle Trip

In March Lion and Panda classes visited Norwich Castle and took part in a Living in a Castle workshop. There were three different activities; making a penant for the tournament, handling different objects that would have been used in the castle and finding out about the toilets in the castle!

“It was brilliant. The best bit was when we made flags (*penants*)” Lacey-Rose

“The Housekeeper called me Sir Jacob.”

“Maud was lazy and gave us smelly candles to smell” Jesswin
