

Tigers 2015-2016
Our Amazing Year!

All of the adults in the Tiger Team were so proud of the progress that the children made this year! Thank you for all of your support!!

I loved our trip to the sealife centre and the beach.

Wow. I remember doing that. I'm much better at writing now!

I liked going to the theatre to see the Gruffalo's child.

I liked learning about superheroes.

I liked learning outside.

I am proud of my phonics and numbers.

I was proud when I learnt to ride a bike without stabilisers.
