

## Be smart, keep safe!

These rules help us to stay safe when we use the computers:

We only use the internet when an adult is with us

We can click on the buttons or links when we know what they do

We can search the internet with an adult

We always ask an adult if we get lost on the internet

We can send and open emails together

We can write polite and friendly emails to people that we know

We will tell an adult when we see anything we are not happy with
